

Teaching Endorsement in Computer Science Education

Offered by the **University of Illinois Urbana Champaign** with implementation support from **Discovery Partners Institute**, the CSTed curriculum is designed with educators in mind and specifically focused on the teaching and learning of Computer Science

Open to All Illinois Teachers

with a current and valid PEL or ELS endorsed in a 5 - 12 teaching field

Course Pathway

includes one evening class per semester and two summer classes

Virtual

All courses take place online and are delivered synchronously, with ongoing support from UIUC faculty and DPI staff

Tuition Support

may be available through the program or your school district

The next cohort begins
JUNE 16th, 2025

The Teaching Endorsement in Computer Science is a five-semester, cohort-based model that meets the Illinois State Board of Education's requirement for obtaining a subsequent endorsements in computer science.
